UNIQUE ACTION TOYS

No. 100

TEDDY SOLDIER

This bright little wooden soldier steps off like a "Regular" on parade—his funny kicking leg action

surely is a source of amusement to the little tots.

Height 10" — Length 6½"

No. 102 B

BLUE WALKING SAILOR

A funny little fellow just back from a long cruise. He ambles along with a regular sea roll in his legs, and so full of action that he is almost human. A picturesque unique idea in a toy that is the delight of every child as well as the grown-ups.

Height 10" — Length 6½"
